Club initiations produce all kinds of strange sights!!!

Man, like what are those cubes doing flashing their peepers at us?!?!

Club meetings play a vital role in our everyday school life.

These strange new language contraptions have us all confused!!

Good friends and good food make for good times.

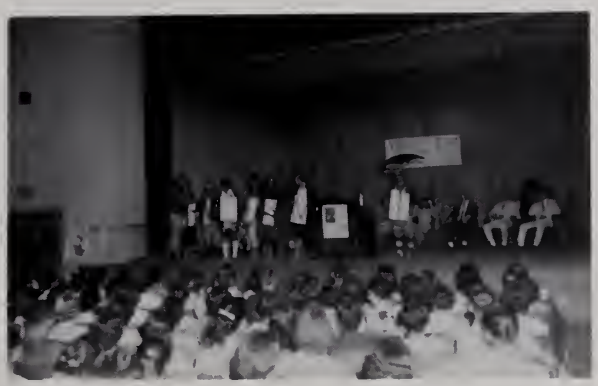
preparing for our future

College night in November provided a chance for many of us to explore means of preparing for the future.

Our annual SCA nominations give each of us the opportunity to aspire to positions of trust.



Through sound guidance and counselling students obtain first hand information in preparing for the future.

WE DEDICATE

It is not often that the qualities of friendliness, devotion and service to school, and selflessness are found in one teacher, but this year we, the senior class of Churchland High School, believe that our "Johnny-on-the-spot" possesses all of these characteristics. As such, we proudly dedicate the 1960 **Trucker** to Mr. John E. Rich.

We will loyal be.
